

Good shopping? Statements

1. I only buy clothes with well-known labels.

2. Ads for fizzy drinks, sweets, chocolate and snacks don't make any difference to what I buy.

3. I wouldn't buy the latest fashion clothes if I knew children were exploited in making them.

4. I usually buy the cheapest version of everything.

5. If a new bar of chocolate had a cool wrapper I'd try it.

6. I'd buy a fairly traded chocolate bar even if it costs more.

7. I don't think about what chocolate brand I buy – I just know I have to have some.
